

TAKE A DIFFERENT ROAD

LANCER SPORTBACK RALLIART

LANCER
Sportback Ralliart

THE ART OF PERFORMANCE

Ralliart is the name of Mitsubishi's revered motorsport division – the driving force behind the company's spectacular successes in years of World Rally and World Cross-Country Rally championships. To succeed in these challenging environments cars must be incredibly agile, unbreakably tough, faultlessly reliable and endowed with breathtaking performance; to bear the Ralliart name no car could promise any less.

Conceived in the white heat of competition and taking much of both its visual inspiration and mechanical prowess from the legendary, awe-inspiring Lancer Evolution, the Lancer Sportback Ralliart is a serious performer. Yet it is also a very generously proportioned hatchback designed for day-to-day driving – comfortable, practical and very, very safe.

STRENGTH OF PURPOSE

The Lancer Ralliart is the epitome of style with function: the bonnet vents may look dramatic but they are there to help cool the engine bay and feed the turbocharger, the roof spoiler is stylish but its role is to manage airflow, and the twin exhaust pipes allow the high performance engine to breathe freely. Dynamic, multi-spoke alloy wheels complete the sporting look.

RALLIART

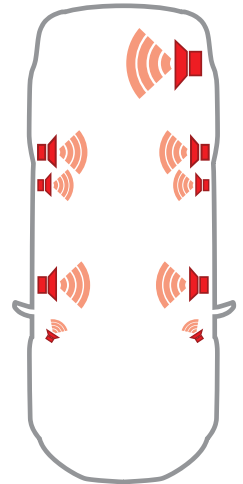

EXCEEDING EXPECTATIONS

Honed on the outside, driver focused within: the twin-hood visors over the dials ensure optimum visibility and the controls are perfectly located for ease of use. For example, to ensure that your hands rarely need to leave the wheel, the magnesium shift paddles for the advanced Twin-Clutch Sport Shift Transmission (TC-SST) are steering wheel mounted, as are remote controls for audio and cruise control and the Bluetooth-enabled hands-free phone kit. With loads of room for both parcels and passengers (amongst the best in class), it's also huge on safety (the Lancer is amongst the first vehicles to achieve a five-star Euro NCAP rating in the tougher new 2009 rating system) and huge on spec.

SOUNDS ESSENTIAL

The GSR model's superb Rockford Fosgate audio system with its powerful 650W amplifier and nine speakers, along with a subwoofer for full-bodied bass sound, gives a veritable concert hall experience. Even better, there is an ultra high-tech, touch-screen navigation system complete with a 7" display and a 40GB hard drive that also acts as a music server. And for those who want to plug in an external MP3 player, both GS and GSR models include an audio auxiliary socket as standard.

STAYING THE COURSE

The Lancer Sportback Ralliart shares its DNA with the Lancer Evolution and Mitsubishi Motors' globally successful rally cars – indeed its engine, full-time four-wheel drive system with Active Centre Differential, and brilliant twin-clutch transmission all come courtesy of the Evolution. The result is a driving experience which thrills every time – stable, well-balanced, with loads of grip – but with the more compliant suspension and economical fuel consumption necessary for everyday driving.

RELIABLE PERFORMANCE

At its heart lies the same lightweight, aluminium 4B11 2.0-litre engine as used in the Lancer Evolution X, but utilising a single-scroll turbocharger to give a breathtaking 237 bhp and mighty 253 lb.ft. of torque. A notably refined, responsive and efficient powerplant.

TWIN-CLUTCH SPORT SHIFT TRANSMISSION (TC-SST)

The Lancer Ralliart uses the same brilliant twin-clutch system found in the Lancer Evolution. This features seamless, lightning-quick gearshifts in either manual or automatic mode.

GEARBOX

The driver can select 'Normal' mode for a relaxed and refined shift pattern, or 'Sport', which gives a more aggressive, high-rev shift pattern for a more exciting driving experience.

ALL WHEEL CONTROL (AWC)

Originally developed for the Lancer Evolution AWC offers breathtaking levels of performance and control. It incorporates an electronically controlled ACD (Active Centre Differential) which optimally apportions torque between the front and rear axles, with setting for tarmac, snow and gravel for maximum benefit.

HOW IT WORKS

The system pre-selects the next gear, thereby ensuring that there is virtually no interruption of torque as the driver shifts through the gears.

TECHNICAL SPECIFICATIONS

Model	Lancer Sportback 2.0 Ralliart GS SST/GSR SST	
Engine		
Engine type	In-line 4-cylinder 16-valve DOHC petrol engine, MIVEC variable valve timing, turbocharger with intercooler	
Fuel system	Electronically controlled multi-point injection (ECI-MULTI)	
Displacement	cc	1998
Bore/stroke	mm	86.0 x 86.0
Compression ratio		9.0
Max. output	kw (bhp) at rpm	177 (237)/6000
Max. torque	Nm (lb.ft) at rpm	343 (253)/2500
Performance/Fuel Consumption/Emissions		
Maximum speed	mph (kph)	137 (220)
Acceleration 0-62 mph	secs	7.1
Fuel type		Unleaded (RON98)
Fuel consumption	Urban mode	13.9 (20.3)
lts/100km (mpg)	Extra urban mode	8.1 (34.9)
	Combined mode	10.2 (27.7)
CO ₂ emissions	g/km	243
Suspension and Steering		
Front axle	MacPherson strut, coil springs, telescopic shock absorbers, stabiliser bar. Front strut brace with Sports suspension	
Rear axle	Multi-link, coil springs, telescopic shock absorbers, stabiliser bar. Sports suspension	
Brakes	Anti-lock Braking System with Electronic Brake-force Distribution (ABS + EBD) and Brake Assist	
	Front	294mm (11.6") ventilated disc
	Rear	302mm (11.9") solid disc with internal drum handbrake
Steering	Rack and pinion (Electrical power assisted)	
Minimum turning circle	m(ft)	10.0 (32.8)
Wheels/Tyres	18" x 7.0JJ Alloy/215/45R18 89W	
Driveline/Transmission		
Type	Front transverse engine/4WD with M-ASTC, Active Centre Differential, Front helical and Rear mechanical limited slip differentials	
Clutch	Manual	Hydraulic
		Twin-Clutch Sports Shift Transmission (TC-SST)
Transmission	Manual	6-speed
Gear ratios	1st	3.655
	2nd	2.368
	3rd	1.754
	4th	1.322
	5th	0.983
	6th	0.731
	Reverse	4.011
Final gear ratio		4.062
Dimensions		
Exterior l x w x h	mm	4585 x 1760 x 1515
Ground clearance (unladen)	mm	150
Track Front/Rear	mm	1530/1530
Wheelbase	mm	2635
Weights/Volumes		
Fuel tank capacity	lts (imp.galls)	55 (12.1)
Gross vehicle weight	kg (lbs)	2045 (4508)
Kerb weight	kg (lbs)	1595 (3516)
Servicing/Insurance/Warranty		
Service intervals	Every 10,000 miles or 12 months, whichever occurs first (with 1,000 miles/1 month initial oil change)	
Insurance group	17A	
Warranty	3 year unlimited mileage warranty, 12 year anti-corrosion perforation warranty, 3 year pan-European roadside, home and accident assistance	

KEY FEATURES

GS

- Lightweight aluminium engine block
- Twin-Clutch Sport Shift Transmission (TC-SST) with Normal and Sport mode
- All Wheel Control (AWC) with:
 - Active Central Differential (ACD) with 3 modes (tarmac/gravel/snow)
 - Front limited slip differential (LSD – helical type)
 - Rear limited slip differential (LSD – mechanical type)
- Mitsubishi Active Stability and Traction Control (M-ASTC)
- Anti-lock Braking System with Electronic Brakeforce Distribution (ABS with EBD)
- Front, side, curtain and driver's knee SRS airbags
- HID (xenon) headlamps with cornering lamps and pop-up type washers

- Sport steering wheel with magnesium paddle-shift levers
- Steering wheel-mounted audio, cruise and Bluetooth phone connection controls
- Climate control air conditioning
- Electric windows and electric heated/folding door mirrors
- Privacy glass – rear side and rear windows
- Rear seat auto-folding function

GSR – SPECIFICATION AS GS PLUS:

- Leather seats with front seat heaters
- HDD satellite navigation with music server
- Rockford Fosgate premium audio system

MITSUBISHI MOTORS RECYCLING

We all have a duty to protect the environment. After a long working life we will take back any Mitsubishi Motors vehicle originally sold by The Colt Car Company Ltd. and recycle it in an environmentally friendly manner in accordance with the EU Directive on End-of-Life Vehicles and any applicable national statutory provisions.

All Mitsubishi Motors vehicles sold by The Colt Car Company Ltd., irrespective of date of sale, will be taken back free of charge from the last owner at one of the designated take-back points, provided the vehicle contains all major components and is free of waste.

For further information please visit www.cartakeback.com, email info@cartakeback.com or call the Cartakeback info-line on 0845 257 32 33.

MITSUBISHI SERVICE PLAN

Buy a Mitsubishi Service Plan to cover the scheduled service cost for the first three services (initial oil change then 3 years/30,000 miles – whichever occurs first). This will give you inflation-proof prices and peace of mind.

The Mitsubishi Service Plan is transferable to a new owner and will enhance the resale value of your vehicle. Please ask your dealer for details.

OUTSTANDING AFTER SALES FOR CAREFREE MOTORING

MITSUBISHI MOTORS GENUINE PARTS

Even the smallest technical faults can lead to accidents. Therefore, all Mitsubishi Motors Genuine Parts have been developed and tested to stringent quality standards. We recommend using Mitsubishi Motors Genuine Parts in order to maintain the safety and integrity of your vehicle and that of your passengers. Mitsubishi Motors Genuine Parts are available at all Mitsubishi Authorized Service Points.

Specifications and warranty conditions may vary for overseas markets. For personal export, NATO or diplomatic sales, please contact the appropriate Export Department as follows:
U.K.: The Diplomatic and Export Manager at The Colt Car Company Ltd., Watermoor, Cirencester, Glos. GL7 1LF. Tel: 08452 414777.
Germany: The Colt Car Company Ltd., P.O. Box 1244, 41374 Brüggen, Germany. Tel: +49 2163 7036.

The specification of the vehicles illustrated in this publication may not be applicable to the UK market, furthermore some vehicle illustrations may include accessory items which are not part of standard UK specification. However, every effort has been made to ensure that the written information was accurate, up-to-date and consistent with UK specification at the time of going to press. The right is reserved to change specification, features and prices without prior notice. To avoid any misunderstandings, your Mitsubishi Motors dealer will advise of any alterations made since the date of issue of this brochure. No part of this publication may be reproduced in any form or by any means, without the prior written permission of The Colt Car Company Limited.

COMPREHENSIVE WARRANTY

All new Mitsubishi Lancer Sportbacks come with a comprehensive 3-year unlimited mileage warranty as standard. The anti-corrosion perforation warranty covers rusting through for the first 12 years. The reliability statistics for Mitsubishi vehicles are impressive, but in the unlikely event that you do need help, we offer MAP.

MAP – FREE BREAKDOWN ASSISTANCE

Throughout the warranty period your vehicle is covered by Mitsubishi Motors Assistance Package (MAP) roadside assistance. This cover extends to more than 30 countries throughout Europe so your mobility is guaranteed. Should you ever need assistance in the event of breakdown, accident, theft or vandalism – wherever you are, 24 hours a day, 7 days a week – just call the number on your card.
