And there's a choice of equally exclusive one-off fashion accessories to go with this 133hp headturner, making it even more your very own personal creation.

So, go your own way. With Renault Twingo Gordini, you're not just celebrating the history of a famous marque. You're recreating it for tomorrow.

With 200hp on tap from its naturally-aspirated 2.0 litre engine, this is a stripy tiger, with a choice of two bespoke chassis – either a standard ‘sport’ version or with the Cup suspension as an option. Referencing the classic Gordini style, this Clio boasts Gordini alloy wheels with polished face and black inner rim – as well as distinctive Malta Blue, Deep Black or Glacier White paint, with or without contrasting Gordini stripes, as you choose. Clio Gordini features climate control, extra-tinted rear windows, cruise control, speed limiter, Bluetooth connection and loads of other standard features, as well as a raft of optional extras to help make this your very own vehicle.
